LEGAL LANDOWNER'S ADDRESS

Scale: 1 inch = 800 feet (each small square = 10 acres)

Show by a cross (X) the location of point of diversion (surface water source) or point of withdrawal (ground water source): For ground water applications, show by a circle (O) the locations of other wells or works within a quarter of a mile.

Indicate traveling directions from nearest town in space below.

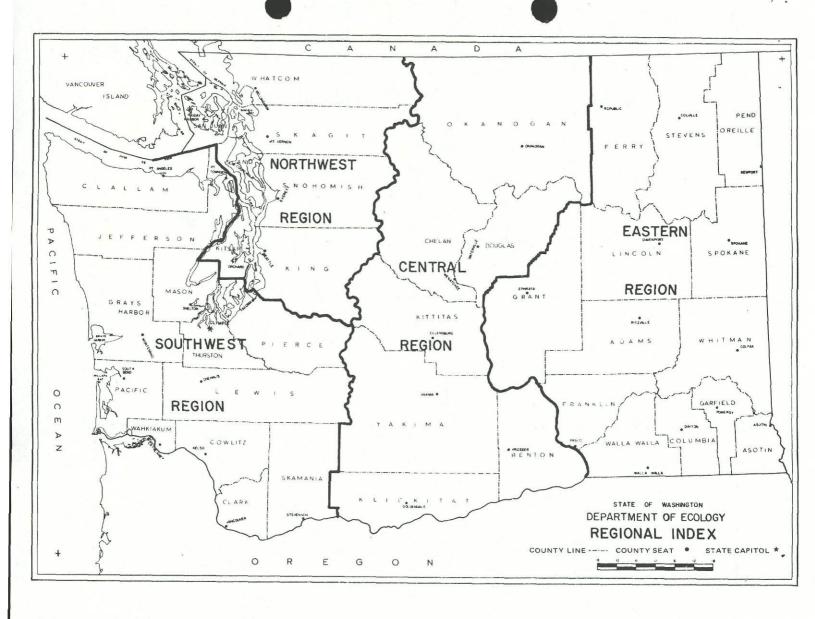

From Interstate 182 take the Wellsian Way exit for Richland. Turn right at the stop sign onto Thayer Drive. At the next stop sign turn left onto Aaron Way and almost immediately left once again onto Wellsian Way. Proceed approximately 3/4 mi. The proposed well location is 150 feet to the left of the roadway.

## Detach here

Fold along scale

Detach this scale at the perforation, fold excess paper under or cut off excess by cutting along the scale line. This scale corresponds to the SECTION MAP above. You can read feet directly from this scale to outline property and locate points of diversion or withdrawal on the SECTION MAP. Enclose this map along with the application and \$10.00 examination fee.

Your water right application will be processed by the Regional Office of the Department of Ecology having jurisdiction in the area in which your water works are located. Please submit your completed application form, maps, sketches and \$10.00 examination fee to the appropriate Regional Office.
